

Luis Benito Gall

Address: C/ Maresme, 175 2º 2ª

Town: 08020 – Barcelona

Mobile & Whatsapp: 600 578 602

Email: luisbgall@gmail.com

Birthdate: 19/07/1971

IT Manager and fullstack developer with strong experience designing and building tailored business applications, particularly ERP systems and logistics platforms. I've led technology projects in multi-company environments, combining a strategic mindset with solid technical skills. Comfortable working with modern frameworks (Laravel, React, etc.), I also bring the ability to lead teams and align digital solutions with business goals.

Specialized in the analysis, design and development of databases for management applications, companies, human resources, stock control,...
